

My family and church family listens to K-Love on 106.7FM Greensboro/Semora, NC. It is a daily,vital source of comfort, hope, and inspiration for many Christians and non Christians alike. Since K-Love started broadcasting in the central NC area many lives have been blessed and changed for the better. K-Love is listener supported and it is supported by many in this area including myself. K-Love radio is a part of our lives and the thought of losing the station is incomprehensible. Please continue to allow all K-Love stations continue. God Bless You!
